SPECIAL TOWN MEETING
October 15th 1975
Milford, Massachusetts

COMMONWEALTH OF MASSACHUSETTS

At 6:45 P.M. the Town Clerk held an election to fill vacancies in Precinct 2 and Precinct 3. Elected in Precinct 2 were the following: Leo W. Bouchard, 456 East Main Street and John A. Costantino, 19 Hayward Street for one year terms. Elected in Precinct 3 were the following: Warren S. Heller, 21 High Street for three year term and Robert Costigan, 23 Fayette Street for one year term.

The monitors checked the lists and 144 persons were present.

Nicholas Moschilli, Chairman of the Finance Committee read the recommendations on the various articles.

The following resolution was read and the members stood in silent tribute.

RESOLUTION

WHEREAS, the citizens of Milford have learned with a profound feeling of regret and sorrow of the passing of Anthony E. Allegrezza and,

WHEREAS, Anthony E. Allegrezza served this community faithfully and unselfishly as a loyal citizen and town meeting member in precinct *five,*

WHEREAS, Anthony E. Allegrezza served on the Board of Selectmen for *seven* years,

WHEREAS, Anthony E. Allegrezza also served as Town Moderator and his contribution to our community will be remembered long and well, he will be sadly missed by all,

THEREFORE, BE IT RESOLVED; That as a mark of respect, the business of the meeting be suspended while members stand in solemn and silent tribute to his memory,

AND BE IT FURTHER RESOLVED; That a copy of these resolutions be forwarded to his family and that these resolutions be published in the next annual town report.

Respectfully submitted,

EMILIO E. DIOTALEVI
MARIE J. PARENTE
JOHN V. FERNANDES

Article 20. To see if the Town will vote to amend the Milford Zoning Bylaw under Article II Section 2.3 Use Regulation Schedule as provided by Chapter 40A, Section 6 of the Massachusetts General Laws as follows:

Helistop

RA	RB	RC	RM	CA	CB	CC	IA	IB
O	O	O	O	O	O	O	P	P

or take any action in relation thereto.

Helistop: A minimum facility heliport, either at ground level or elevated on a structure, without such auxiliary facility as waiting room, hanger, parking, fueling, and maintenance. Such helistop shall not be used for commercial purposes, and said use shall be considered as an accessory use to structures located in the industrial zones, or take any action in relation thereto. (Planning Board)

The following report of the Planning Board was read by Chairman Iacovelli.

A public hearing was held by the Planning Board on October 7, 1975 to consider permitting helistops in industrial (IA and IB) areas only. About four residents attended this hearing. The purpose is mainly for promoting industrial development in Milford by allowing helicopters to land in industrial zones as an accessory use to the structure located in the industrial zones.

A resident who was present raised the question of allowing a commercial use as a business. It was pointed out by the Planning Board that a great deal of discussion had taken place at the Annual Town Meeting where it became plainly evident that the town meeting members did not wish a commercial endeavor to be permitted. This present article is being resubmitted as an amendment to the Bylaw enacted at the Annual Town Meeting. The public hearing was closed and the matter taken under advisement. Subsequently, the Planning Board unanimous by vote of five to zero recommend favorable action.

Voted: That the Town amend the Zoning Bylaw by deleting from Section 2.3, Use Regulation Schedule, the use "Heliport," and by inserting in place thereof the use, "Helistop," as follows:

"Helistop"

RA	RB	RC	RM	CA	CB	CC	IA	IB
O	O	O	O	O	O	O	P	P;"

and by inserting in Article IV, Section 4.1, Definitions, after the definition, "Granite Quarrying," the definition, "Helistop," as follows:

"Helistop — A minimum facility heliport, either at ground level or elevated on a structure, without such auxiliary facilities as waiting room, hanger, parking, fueling, and maintenance. Such helistop shall not be used for commercial purposes, and said use shall be considered as an accessory use to structures located in the industrial zone."

The said owner will install, at its own expense, in said Beaver Street a force main sewer line running from the said parcel along the entire length of Beaver Street to Route 109, and will also install, at its own expense, a pumping station on the said parcel, and will also connect that station with the aforesaid sewer line, all for the purpose of disposing of sewerage from the said parcel;

The Town of Milford will authorize the said owner to so install the above sewer line, and pumping station, and make the necessary connections to the Town's municipal sewerage system;

The said owner, for itself, its successors and assigns, will bind itself to maintain and operate the aforesaid pumping station so long as any sewerage from the above parcel is disposed of by means of the aforesaid sewer line in Beaver Street;

The installation of the said sewer line and pumping station, and the making of the said connections will be at the said owner's expense, and will comply with the Town of Milford's rules and regulations which may be in effect at the time of installation and connection;

The Town of Milford will not, without the written approval of the said owner or of the said owner's sucessor in title, allow any other party but the said owner to connect to the said sewer line; and

The said owner will agree that the terms and conditions of this contract will be binding on the said owner, and on its successors and assigns, and will constitute a covenant running with the aforesaid parcel and be for the benefit of the Town of Milford, provided, however, that neither the said owner nor any successor owner of the said parcel shall be liable for any breach of the provisions of this contract except such as occur during its, his or their ownership thereof; and to vote to authorize the said Board of Selectmen and the said Board of Sewer Commissioners to accept for the Town the interest in land which is created by the above contract (covenant).

Standing vote — 127 in favor and none opposed.

It was moved and seconded to dissolve the warrant. The warrant was dissolved at 8:07 P.M.

NOW, THEREFORE, I, MICHAEL S. DUKAKIS, Governor of the Commonwealth of Massachusetts do hereby proclaim April 25, 1976 as

Catherine Coyne Day

and urge the citizens of the Commonwealth to take cognizance of this event and to participate fittingly in its observance.

Given at the Executive Chamber in Boston, the first day of March, in the year of our Lord, one thousand nine hundred and seventy-six, and of the Independence of the United States of America, the two hundredth.
By His Excellency the Governor Michael S. Dukakis

Paul Guzzi
Secretary of the Commonwealth

GOD SAVE THE COMMONWEALTH OF MASSACHUSETTS

THE WHITE HOUSE
WASHINGTON
May 10, 1976

Town of Milford, Mass:

We now mark the beginning of our Third Century as an Independent Nation as well as the 200th Anniversary of the American Revolution. For two centuries our Nation has grown, changed and flourished. A diverse people, drawn from all corners of the earth, have joined together to fulfill the promise of democracy.

America's Bicentennial is rich in history and in the promise and potential of the years that lie ahead. It is about the events of our past, our achievements, our traditions, our diversity, our freedoms, our form of government and our continuing commitment to a better life for all Americans. The Bicentennial offers each of us the opportunity to join our fellow citizens in honoring the past and preparing for the future in communities across the Nation. Thus, in joining together as races, nationalities, and individuals, we also retain and strengthen our traditions, background and personal freedom.

As we lay the cornerstone of America's Third Century, I am most happy to commend the officials and citizens of the Town of Milford, Massachusetts on their Bicentennial activities which include the creation of a 30 foot high, 8,000 pound Birthday Cake. Efforts such as this are helping to make our great national celebration a memorable and meaningful one for all.

Gerald R. Ford

Voted: That the reports of all Town Officers and Committees of the town be accepted.
Voice vote unanimous.

Article 2. To see if the Town will vote to amend the Wage and Salary schedule of the Wage and Salary Administration Plan as recommended by the Personnel Board, or take any other action in relation thereto.

"Section 1.6.2 Any lot lawfully laid out by plan or deed duly recorded, as defined in G.L.C. 41, S. 81L, or any lot shown on a plan endorsed with the words, "approval under the sub-division control law not required," or words of similar import, pursuant to G.L.C. 41, S. 81P, which complied at the time of such recording or such endorsement, whichever is earlier, with the minimum area, frontage, width and depth requirements, if any, or any zoning by-law of the Town of Milford then in effect, notwithstanding the adoption or the amendment of the provisions of Section 2.5 of this By-Law, the Intensity of Use Schedule, imposing minimum area, width, frontage, depth or yard requirements, or more than one such requirement, in excess of those in effect at the time of such recording or endorsement may thereafter be built upon for single-family or two-family residential purposes if, at the time of the first publication of the notice of the public hearing before the Planning Board regarding the adoption or amendment of such provisions as the case may be, and said increased requirements are subsequently adopted by the Town Meeting as the outcome of such hearing, or while building on such lot was otherwise permitted, whichever occurs later, such lot was held in ownership separate from that of adjoining land located within the same residential district; provided that at the time of building (a) such lot has an area of 5,000 square feet or more, and a frontage of 50 linear feet, or more, is in a district zoned for single-family or two-family residential use, as the case may be, and conforms as to area, frontage, width and depth with the provisions of Section 2.5 of the By-Law then in effect, and (b) any proposed structure is to be located on such lot so as to conform with the minimum requirements of front, rear and side yard setbacks, if any, in effect at the time of such recording or endorsement, whichever is earlier, and to all other requirements for such structure in effect at the time of building.

"Section 1.6.2.1. For the purposes of Section 1.6.2 any such lot, referred to therein, shall not be deemed to be buildable if such increased area, frontage, width, depth or yard requirements would be applicable to any building or special permit authorizing construction of a building or other structure on such lot, as provided in G.L.C. 40A, S. 6, inserted by St. 1975, C. 809, S. 3, or in G.L.C. 40A, S. 11, as amended through St. 1961, C 435, S.L.

"Section 1.6.2.2 The provisions of Section 1.6.2 shall not be construed to prohibit a lot being built upon, if at the time of building, building upon such lot is not prohibited by this By-Law."

2. And by deleting therefrom Section 2.4.3, and by inserting in place thereof the following:

"Section 2.4.3 Certain lots are exempted from some of these requirements under the provisions of Section 1.6.2 of this By-Law." (Board of Selectmen)

After a motion was made and seconded the following report was read.

Report of Planning Board

A public hearing was held on May 11, 1976 concerning the protection of isolated lots. About seven residents attended. Chapter 808, the new zoning law, was deficient in continuing protection for isolated lots in single ownership. The Legislature is in the process of amending this Chapter.

Following the public hearing, the Board unanimously voted to recommend favorable action to Town Meeting . . . in order to provide protection to owners of single lots and homes in single ownership, in the event that proposed zoning is adopted. Michael Parente, Chairman

The Finance Committee reported favorable action.

Motion was made and seconded to pass over.

Motion defeated and the question now came on the motion.

Voted: That the Town vote to amend the Zoning By-Law as follows:

1. By deleting therefrom Section 1.6.2 and by inserting in place thereof the following:

"Section 1.6.2 Any lot lawfully laid out by plan or deed duly recorded, as defined in G.L.C. 41, S. 81L, or any lot shown on a plan endorsed with the words, "approval under the subdivision control law not required," or words of similar import, pursuant to G.L.C. 41, S. 81P, which complied at the time of such recording or such endorsement, whichever is earlier, with the minimum area, frontage, width, and depth requirements, if any, of any zoning by-law of the Town of Milford then in effect, notwithstanding the adoption or the amendment of the provisions of Section 2.5 of this By-Law, the Intensity of Use Schedule, imposing minimum area, width, frontage, depth or yard requirements, or more than one such requirement, in excess of those in effect at the time of such recording or endorsement, may thereafter be built upon for single-family or two-family residential purposes if, at the time of the first publication of the notice of the public hearing before the Planning Board regarding the adoption or amendment of such provisions, as the case may be, and said increased requirements are subsequently adopted by the Town Meeting as the outcome of such hearing, or while building on such lot was otherwise permitted, whichever occurs later, such lot was held in ownership separate from that of adjoining land located within the same residential district; provided that at the time of building (a) such lot has an area of 5,000 square feet or more, and a frontage of 50 linear feet, or more, is in a district zoned for single-family or two-family residential use, as the case may be, and conforms except as to area, frontage, width and depth with the applicable provisions of this by-law then in effect, and (b) any proposed structure is to be located on such lot so as to conform with the minimum requirements of front, rear and side yard setbacks, if any, in effect at the time of such recording or endorsement, whichever is earlier, and to all other requirements for such structure in effect at the time of building.

"Section 1.6.2.1 For the purposes of Section 1.6.2 any such lot, referred to therein, shall not be deemed to be buildable if such increased area, frontage, width, depth or yard requirements would be applicable to any building or special permit authorizing construction of a building or other structure on such lot, as provided in G.L.C. 40A, S. 6, inserted by St. 1975, C. 808, S. 3, or in G.L.C. 40A, S. 11, as amended through St. 1961, C. 435, S. 1.

"Section 1.6.2.2 The provisions of Section 1.6.2 shall not be construed to prohibit a lot being built upon, if at the time of building, building upon such lot is not prohibited by this By-Law."

2. And by deleting therefrom Section 2.4.3, and by inserting in place thereof the following:

"Section 2.4.3 Certain lots are exempted from some of these requirements under the provisions of Section 1.6.2 of this By-Law."

Standing vote 138 in favor and 4 opposed.

It was now moved and seconded to take Article 36 before Article 32 and it was so voted:

Article 36. To see if the Town will vote to amend the Zoning By-Law by revising the Zoning Map changing from Rural Residential RC to Rural Residential RD the area bounded and described as follows: Beginning at the point of intersection of the easterly sideline of Route 495 and the Milford Town and County boundary line thence southerly and southeasterly along the easterly sideline of Route 495 to its intersection with the present Rural Residential RC boundary line. From this point easterly along the boundary to a point directly parallel with the line on the Milford Town and County line. Thence, from this point northerly and westerly along the Milford Town and County line to the intersection of the easterly sideline of Route 495 and the Milford Town and County line, the point of beginning, or take any action in relation thereto.

(Planning Board)

After a motion was made and seconded the following report was read.

Report of Planning Board

On March 23, 1976 a public hearing was held by the Planning Board on Article 36, a proposed zoning change of a certain area from RC to RD. About 76 residents were in attendance. The greater portion of those attending were members of the Builder's Association and their Attorney.

Mr. Robert Symonds of the Milford Water Co. submitted a statement for the records stressing the necessity for assuring a continuing supply of both quantity and quality of Milford's water supply from Echo Lake.

The Chairman of the Conservation Commission, Reno DeLuzio pointed out that the principle concerns in this area are water shed and wetlands. The water supply should be protected for the Town of Milford. The Army Corps of Engineers also recommended protecting this area.

It was brought out that this area does not have municipal sewerage and would be dependent on septic systems.

Mr. Nello Allegrezza, a member of the Conservation Commission, pointed out that the Town has already lost some water shed where Rte. 495 was built.

The Builders spoke in opposition of this proposal for larger lots.

The Public hearing was closed and the proposal taken under advisement.

On April 27, 1976 the Planning Board held a special meeting. At that time it was voted to unanimously recommend favorable action on Article 36.

Michael T. Parente, Chairman

Voted: That the Town vote to amend the Zoning By-Law by revising the Zoning Map changing from Rural Residential RC to Rural Residential RD the area bounded and described as follows: Beginning at the point of intersection of the easterly sideline of Route 495 and the Milford Town and County boundary line thence southerly and southeasterly along the easterly sideline of Route 495 to its intersection with the present Rural Residential RC boundary line. Thence, from this point northerly and westerly along the Milford Town and County line to the intersection of the easterly sideline of Route 495 and the Milford Town and County line, the point of beginning.

Voice vote unanimous.

Motion made and seconded to take Article 35 before Article 32 and it was so voted.

Article 35. To see if the Town will vote to amend the Zoning By-law as follows:

1. Amend Section 2.1.1 by inserting the row Rural Residential RD directly below the row "Rural Residential . . . RC

2. Amend Section 2.3 Use Regulation Schedule by adding a column labeled "RD" with entries identical to those in the "RC" column.

3. Amend Section 2.5 Intensity of Use Schedule by adding a column labeled "RD" with entries identical to the "RC" column except as follows:

Minimum RD lot requirement area, total or first two dwelling units (1,000 sq. ft.) 87

4. Amend Section "3.9.2.1 first phrase, to read as follows: "3.9.2.1 in RA, RB, RC, RD and RM districts the following accessory signs are permitted," or take any action in relation thereto. (Planning Board)

After a motion was made and seconded the following report was read.

Report of Planning Board

A public hearing was held on March 23, 1976 with 76 residents attending. This proposal will create an intensity of use designation by adding columns for the newly created RD District. The regulations will be indentical to those in the RC column and will require *no increase* in side, rear, or front lot requirements or frontage. The public hearing was closed and the proposal taken under advisement.

On April 27, 1976, at a special meeting, the Planning Board voted unanimously to recommend favorable action at Town Meeting. Michael T. Parente, Chairman

Voted: That the Town vote to amend the Zoning By-law as follows:

1. Amend Section 2.1.1 by inserting the row Rural Residential RD directly below the row "Rural Residential . . . RC

2. Amend Section 2.3 Use Regulation Schedule by adding a column labeled "RD" with entries identical to those in the "RC" column.

3. Amend Section 2.5 Intensity of Use Schedule by adding a column labeled "RD with entries identical to the "RC" column except as follows:

Minimum RD lot requirements area, total or first two dwelling units (1,000 sq. ft.) 87

4. Amend Section "3.9.2.1 first phrase, to read as follows: "3.9.2.1 in RA, RB, RC, RD and RM districts the following accessory signs are permitted."

Voice vote unanimous.

Article 32. To see if the Town will vote to amend the Zoning By-Law by revising the zoning map to change from Single-Family Residential RB to Rural Residential RC the area bounded and described as follows: Beginning at a point at the intersection of Whitewood Road and Reservoir Street northerly along the present Rural Residential RC boundary line to the point where it intersects the Milford Town and County line. From this point easterly and northeasterly along the boundary line to the point of intersection with the current Rural Residential (RC) boundary line. From this point southerly and southeasterly along the RC district boundary line to a point of intersection with the present IB-Industrial district boundary line. From this point southerly along the IB Industrial district boundary line to the point of its intersection with the northerly sideline of Dilla Street. Thence, from this point westerly and southwesterly to the point of intersection of the easterly sideline of Purchase Street. From this point northerly along the easterly sideline of Purchase Street to a point of intersection of the easterly sideline of Purchase Street and the northerly sideline of Silver Hill Road. Thence, from this point westerly along the northerly sideline of Silver Hill Road to the point of intersection of the northerly sideline of Silver Hill Road and the northerly sideline of Whitewood Road. From this point northwesterly along the northern sideline of Whitewood Road to the intersection of Whitewood Road and Reservoir Street, the point of beginning, or take any action in relation thereto. (Planning Board)

After a motion was made and seconded the following report was read.

Report of the Planning Board

A public hearing was held on Article 32 on March 23, 1976 as originally proposed and prior to the amendment. About seventy-six residents, mostly members of the Builder's Association and their Attorney attended. This article proposes to change a certain area from Residential RB to Residential RC.

Sewer Commissioner, John Bird, spoke on the unavailability of municipal sewerage in the area and stated that it was economically unfeasible to extend the sewer system into this area. He pointed out that the present line is barely adequate to carry the present input from existing homes and that a replacement line to carry the additional input would cost approximately $525,000.00.

The Conservation Commission Chairman, Reno DeLuzio, pointed out that the land in this proposed area was no different in characteristics from the RC District to the East and West. The water table is near the surface, the land is rocky and the soil is poorly drained. Also, two major brooks, Ivy and Huckleberry, traverse the area.

Mr. Robert Symonds of the Water Company cautions against pollution of the water supply from density of septic systems. Residents who were present from several subdivisions in this area were concerned about what affect the increased lot size would have on their own lots. They were advised that, to the best knowledge of the Planning Board, that this article was a map change and would still be governed by the old Chapter 40A which gives isolated lots protection from any increased zoning requirements on single-ownership lots and would not affect set-backs or area requirements.

The Builders were adamantly opposed to this zoning change specifically that increased lot sizes would increase the cost of homes. The public hearing was closed and the proposal taken under advisement.

On April 27, 1976, at a special meeting, a motion was made to recommend favorable action on Article 32 as amended. The vote was a majority of four in favor and one opposed. Michael T. Parente, Chairman

Voted: That the Town vote to amend the Zoning By-law by revising the Zoning Map to change from Single-Family Residential RB to Rural Residential RC the area bounded and described as follows:

From this point southerly and southeasterly along the RC District boundary line to a point of intersection with the northerly line of the easement of the New England Power Co. transmission lines. From this point southerly along Huckleberry Brook across said easement to the southerly line of this easement. From this point northwesterly along said southerly line of the easement to the westerly sideline of Purchase Street. Thence from this point southerly along said westerly sideline of Purchase Street and then the westerly sideline of Tyler Street to the point of intersection with the northerly sideline of Silver Hill Road. From this point westerly along said northerly sideline to the point of intersection with the northeasterly sideline of Whitewood Road. Thence from this point northwesterly along said northeasterly sideline to the intersection of Whitewood Road and Reservoir St., the point of beginning.

Standing vote 111 in favor 16 opposed.

Article 33. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $9,500.00 for the purpose of remodeling, renovating and equipping the former Chapin Street School which is to be used as a Senior Citizen Day Care Center for the Council on Aging; said money is to be spent under the jurisdiction of the Board of Selectmen, or take any other action in relation thereto. (Board of Selectmen)

After considerable debate on a motion it was "moved the previous question". The motion to shut off debate was carried and the motion itself was defeated.

It was moved and seconded to adjourn to Wednesday at 7:30 P.M.

Adjourned Town Meeting
May 26th 1976

The meeting was called to order by Moderator Noferi at 7:30 P.M. The monitors reported 130 persons present, a sufficient number to constitute a quorum.

Question now came on reconsideration of Article 33 but the motion was defeated.

Article 34. To see if the Town will vote to authorize the Board of Selectmen to execute on behalf of the Town of Milford the following Agreement with the Massachusetts Commission Against Discrimination and to require each officer, agency, department, committee and commission of the Town to implement the Equal Employment and Affirmative Action Program to be developed by the Town pursuant to that Agreement, or take any action relative thereto:

"The Town of Milford agrees to furnish the Massachusett Commission Against Discrimination within sixty (60) days from the execution of this Agreement an affirmative action program which shall include but not be limited to the following:

A. Providing for a written equal employment opportunity policy and affirmative action commitment.

B. Appointing a top official with responsibility and authority to direct and implement program.

C. Publicizing the equal opportunity commitment and affirmative action program:

1. Internally by publicizing through regular and new recruitment sources.

2. Externally by publicizing through regular and new recruitment sources.

3. By utilizing media sources which will reach minority and female organizations and communities.

4. By providing that all solicitations or advertisements for employees, contractors and subcontractors satisfy the requirements of the equal opportunity clause of Executive Order 11246, and state Executive Order 74, as amended, by stating that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, sex or national origin.

D. Surveying present minority and female employment by department and job classification by:

1. Evaluation of the utilization of minority group and female personnel and an analysis of minority group and female representation in each department, division, or agency in all job categories.

2. Analysis of the hiring practice for the past year, including recruitment sources and testing, to determine whether equal employment opportunity is being afforded in all job categories.

3. Compilation and maintenance of support data as part of the Town's affirmative action program.

Requirement of support data from contractors and subcontractors working for the Town of Milford.

E. Establishing goals and timetables to improve utilization of minorities and females in each area where underutilization has been identified.

F. Developing and implementing specific programs to achieve goals including but not limited to review and revision of:

1. Recruitment and personnel procedures.

2. Selection process: job requirements, job description, standards and procedures, testing, interviewing and application forms.

3. The upward mobility system.

4. The salary structure and the benefits and conditions of employment.

5. Layoff; recall; termination; demotion; discharge; disciplinary action.

6. Provisions of the union contract (if there is one) affecting the above procedures.

G. Establishing an internal audit and reporting system to monitor and periodically evaluate and revise programs in each aspect of the program, including but not limited to:

1. Insuring that all contracts have affirmative action programs, plans, and are in compliance.

2. Development of supportive inhouse and community programs.

H. Upon appointment of an official with responsibility and authority to implement the equal employment and affirmative action program, the Town of Milford will send his/her name to this Commission within seven (7) days

I. The parties hereto expressly agree that the Commission shall have, upon request, access to any and all records, data, and information of the Town in order to review and insure compliance with this Agreement.

Upon a determination of non-compliance by the Commission it may, in its discretion report its determination with the Community Development Block Grant Program of the U.S. Department of Housing and Urban Development and any other federal state agency which it deems appropriate." (Selectmen)

This article defeated.

The question now came on removing A508-Article 2 from the article and it was so voted.

A motion was made and seconded to establish the salaries of the Superintendent of Sewers under A508 in the following manner minimum $11,500.00 — Step 1 $12,500.00 — Step 2 $13,500.00.

At this time it was moved "the previous question." It was so voted.

A standing vote showed 96 persons voted in favor and 36 opposed the following salary scale was adopted:

Article 2-A508	Min.	$11,500.00
	Step 1.	$12,500.00
	Step 2.	$13,500.00

Article 37. To see if the Town will vote to authorize the Board of Sewer Commissioners to appoint a member of the Sewer Commission to the position of Superintendent of Sewers and that the compensation of said employee to be Two Thousand Eight Hundred Dollars and Twenty Cents ($2,800.20) in compliance with Chapter 41, Section 4A of the General Laws (Ter. Ed.), or take any action in relation thereto. (Sewer Dept.)

Voted: To pass over the article.

Article 38. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $17,000.00 for the purpose of installing new pumps at the East Main Street Pumping Station, or take any action in relation thereto. (Sewer Dept.)

Voted: That the Town vote to transfer from the Revenue Sharing Account the sum of Seventeen Thousand ($17,000.00) Dollars for the purpose of installing new pumps at the East Main Street Pumping Station.

It was moved and seconded to take Article 30 from the table. It was moved and seconded to dispense with the reading of the description. At this time it was "moved the previous question" and it was so voted.

The Planning Board reported favorable action. The question now came on the motion and it was

Voted: That the Town vote to accept as and for a public way a 1,485, more or less, foot extension of Sumner Street, as laid out by the Board of Selectmen, and as described in the report of the Selectmen dated May 17, 1976 as follows:

Thence southerly and northeasterly along the Central Industrial IA boundary line to a point 150 feet from the westerly sideline of East Main Street. From this point along an extended line to the point on the westerly sideline of East Main Street. From this point southwesterly along the westerly sideline of East Main Street, Main Street and Beech Street to a point on the westerly sideline of Beech Street where the Neighborhood Commercial CB Central Industrial IA boundary line intersects the westerly sideline of Beech Street. Thence from this point westerly and southwesterly along the boundary line to a point on the centerline of Spring Street at the intersection of the Neighborhood Commercial CB General Residential RA and Central Commercial CA district boundary lines. From this point northerly along this boundary line to its intersection with the center line of Main Street. Thence northeasterly along this line to the centerline of the intersection of Main Street and Spruce Street. Thence northerly and northwesterly along the centerline of Spruce Street to the intersection of the present General Residential RA and Neighborhood commercial CB district boundary lines, the point of beginning, or take any action in relation thereto.

(Planning Board)

Voted: To pass over the article.

Article 40. To see if the Town will vote to raise and appropriate or transfer from available funds, the sum of $16,319 to reimburse the New High School Building Committee Construction & Equipping Account for the Committee's expenditure of said amount. The Federal reimbursement of the Building Committee's expenditure was received by the Town of Milford and deposited in the estimated receipts account of the Town, or take any action in relation thereto.

(New Milford High School Building Committee)

Report of Committee

The $16,319 represents an expenditure for Driver Education equipment made Dec. 4, 1972. The Building Committee approved the expenditure at that time since it was 100% reimburseable under the U.S. Department of Transportation program. An audit of the accounts revealed that the $16,319 was credited to the estimated receipts account. Town Meeting action is required to transfer this sum to the High School construction account. The original intent of the Committee to expend these funds was made at that time since we were to get the funds returned to our account.

The present balance in the construction account, as audited by the Bureau of Accounts is $36,188.65. If this transfer is approved the account balance will then read $52,507.65. At the present time our known unpaid bills approximate $20,000 to $25,000. By this summer we hope to finalize these items. We are still awaiting the roofing contractor to make the necessary repairs to a certain section of

the roof. The architects, Phillips and Noonan Associates, are in the process of reviewing the entire structure for whatever necessary adjustments that need to be made to make the building fully complete. One such suggestion is a sound deadening adjustment of the mechanical equipment in this Auditorium to reduce the noise factor. Consequently, the present balance in our account appears to be sufficient for the Committee to pay all bills and do the necessary and required adjustments. The transfer of the $16,319 gets the funds back where it was intended and also allows the Building Committee, subject to Town Meeting approval, to make the balance of the funds available for the construction of bleachers at the new High School.

We do not wish to interfere in any way whatsoever with the proponents of Article #66, who are asking for money for the construction of bleachers; however, it is appropriate at this time, that we explain the Building Committee's required position which is: Any funds in the construction account can only be spent on projects for which the Building Committee is responsible and must be under the control and jurisdiction of the Building Committee. Also, any funds spent by the Building Committee on school construction or school related projects are eligible for the 65% reimbursement which the town receives each year that the School Bonds are outstanding.

Michael DeCesare

Voted: That the Town vote to raise and appropriate the sum of $16,319 to reimburse the New High School Building Committee Construction & Equipping Account for the Committee's expenditure of said amount. The Federal reimbursement of the Building Committee's Expenditure was received by the Town of Milford and deposited in the estimated receipts account of the Town.

Voted: To pass over the article.

Article 44. To see if the Town will vote to raise and appropriate and deposit in the Conservation Fund the sum of $35,000 for the reclaimation of Louise Lake. Said money to be spent under the jurisdiction of the Conservation Commisssion upon approval of the reclaimation plan by the Town Meeting. (Conservation Commission)

Voted: To pass over the article.

Article 45. To see if the Town will vote to adopt the following resolution:

WHEREAS, certain areas in the Town of Milford are considered important for the protection of watershed, flood plain, and wetland and

WHEREAS, certain areas in the Town of Milford are considered important for the development of water resources and

WHEREAS, certain areas in the Town of Milford are considered important for the protection of wildlife and vegetative communities and

WHEREAS, certain areas in the Town of Milford are considered important for the preservation of open space

NOW, THEREFORE, LET IT BE RESOLVED, that this town meeting hereby:

A. Accepts the plan entitled Natural Resource Plan for the Town of Milford as Milford's Conservation Plan and

B. Encourage the Conservation Commission to pursue programs to accomplish the plan's seven objectives, namely:

1. Protection of Watershed, Flood Plain, Wetlands, and protection and development of water resources.

2. Acquisition and protection of land for multiple uses compatible with land capability.

3. Influence land development and provide greenbelt areas within the residential areas of the town through cooperation with the Planning Board.

4. Maintain and improve the environmental quality of land, air and water resources by the control of air, noise, soil and water pollution.

5. Seek opportunities to protect, maintain and improve wildlife and vegetative communities by preserving their natural habitat.

Article 47. To see if the Town will vote to amend the Zoning By-law by deleting present Section 3.8 Planned Unit Development, or take any action in relation thereto.
(Planning Board)

Report of the Planning Board

On April 6, 1976 the Planning Board held a public hearing on this proposal to delete the present Planned Unit Development By-Law.

It was pointed out that the zoning by-law, in its present form, is incomplete and inconsistent and is not actually a planned unit development by-law as delieneated in the new Chapter 808 State Zoning Law. The Planning Board feels that cluster zoning as specified in Chapter 808 would be a more advantageous use of land.

The public hearing was closed and the proposal taken under advisement.

On April 27, 1976, at a special meeting, the Planning Board voted unanimously to recommend favorable action.
Michael T. Parente, Chr.

Voted: That the Town amend the Zoning By-law by deleting present Section 3.8 Planned Unit Development.

Article 48. To see if the Town will transfer from Revenue Sharing Account the sum of Seventy Thousand Dollars ($70,000.00), to purchase a new one thousand (1,000) gallon pumper for the Fire Department. Said money to be spent under the direction of the Fire Chief.
(Fire Chief)

Voted: That the Town will transfer from Revenue Sharing Account the sum of Seventy Thousand Dollars ($70,000.00) to purchase a new one thousand (1,000) gallon pumper for the Fire Department, said money to be spent under the direction of the Fire Chief.

Article 49. To see if the Town will vote to authorize the establishment of an additional off-street parking facility on land now owned by the Town of Milford, situated behind the former Stop and Shop, between Central and Jefferson Streets, which land was acquired by the Town on December 30, 1969, by deed of that date from Stop & Shop, Inc., recorded in the Worcester District Registry of Deeds in Book 5003, Page 88; to authorize the Off-Street Parking Commission, established by Chapter 72 of the Act of 1957, to supervise the design, construction and equipping of said parking lot; to authorize the said commission to contract for and in the name of the Town and to do all other things necessary for the accomplishment of the aforesaid purpose; to raise and appropriate a sum of money for the above purpose; to determine how said funds shall be raised, whether from the current tax levy, from available funds, by borrowing or otherwise, or take any other action thereto.
(Board of Selectmen)

Finance Committee reported favorable action.

Voted: That the Town vote to authorize the establishment of an additional off-street parking facility on land now owned by the Town of Milford situated behind the former Stop and Shop, between Central and Jefferson Streets, which land was acquired by the Town on December 30, 1969, by deed of that date from Stop and Shop, Inc., recorded in the Worcester District Registry of Deeds in Book 5003, Page 88; to authorize the Off-Street Parking Commission, established by Chapter 72 of the Acts of 1957, to supervise the design, construction and equipping of said parking lot; to authorize the said commission to contract for and in the name of the Town and to do all other things necessary for the accomplishment of the aforesaid purpose; to raise and appropriate a sum of $6,752.50 for the above purpose, and to meet that appropriation, to transfer, in accordance with G.L.C. 44, S. 20, $2,914.98 from the New Off-Street Parking Lot Construction Account; and to transfer, in accordance with G.L.C. 40, S. 22B, $3,837.52 from the Parking Meter Account, a total of $6,752.50.

Article 50. To see if the Town will vote to amend the Zoning By-Law in the following manner, or take any other action in relation thereto:

1. By revising the zoning map, referred to in Section 2.1 as "Milford Mass.-Zoning," by changing from

"Highway Industrial — IB" to "Highway and Neighborhood Industrial — IC" the area bounded and described as follows:

Beginning at a point on the northerly boundary line of East Main Street (Route 16) at the easterly terminus of the Neighborhood Commercial (CB) Zoning District; thence, westerly along said northerly boundary line of East Main Street by the said CB District approximately 375 feet to a point; thence, northerly and northwesterly by said CB District approximately 270 feet to a point where the said CB District, the Single-Family Residential (RB) Zoning District, and the Highway Industrial (IB) Zoning District meet; thence, easterly and northeasterly through the said IB District along a line running 200 feet from the northerly boundary line of the said East Main Street and parallel thereto approximately 4,500 feet to the westerly boundary line of Route 1-495; thence, southerly along said westerly boundary line of Route 1-495 approximately 1,000 feet to the southerly boundary line of the Penn-Central Company railroad right of way; thence westerly along said southerly boundary line of the Penn-Central Company railroad right-of-way approximately 1,200 feet to a point where that boundary line meets the northerly boundary line of the said RB District; thence, westerly along the said southerly boundary line of the Penn-Central Company railroad right-of-way by the said RB District approximately 2,500 feet to a point on the southerly boundary line of Medway Street (Route 109); thence, northwesterly along the said southerly boundary line of Medway Street and along the boundary line separating the Highway Commercial (CC) Zoning District and the said IB District approximately 550 feet to a point on the southerly boundary line of said Medway Street; thence, northerly and northeasterly across said Medway Street along the boundary line separating the said CC District and the said CB District from the said IB District approximately 600 feet to a point; thence, northerly along the boundary line separating the said CB District from the said IB District approximately 350 feet to the point of beginning.

2. By inserting in Section 2.1.1.; after the designation, "Highway Industrial . . . IB," the designation, "Highway and Neighborhood Industrial . . . IC."

3. By amending Section 2.3, the Use Regulation Schedule, by adding a column labeled, "IC", with entries identical to those in the column labeled "IB", except as follows:

Commercial Car Wash	A4
Auto, boat sales, rental, service	P
Club or Lodge	P

4. By amending Section 2.5, the Intensity of Use Schedule, by adding a column labeled "IC" with entries identical to those in the "CB" column.

5. By deleting Section 3.9.2.2 and by inserting in place thereof the following:

Section 3.9.2.2 In the CA, CB, CC, IA, IB, and IC Districts, signs attached to a building are permitted provided that they aggregate not more than 20% of the wall area they are viewed with.

6. By deleting Section 3.9.2.3 and by inserting in place thereof the following:

Section 3.9.2.3 In the CA, CB, CC, IA, IB, and IC Districts, free-standing signs are permitted provided that they aggregate not more than 100 square feet in area.

(Zoning Board of Appeals)

Report of the Planning Board

A public hearing was held on May 11, 1976 concerning the creation of a new zoning district to be entitled "Highway and Neighborhood Industrial — IC Zoning District, which new district was proposed by the Zoning Board of Appeals. About seven residents attended the hearing, and the Town Counsel, representing the Board of Appeals, made a presentation concerning the advisability of creating the proposed IC District.

At the hearing, the Town Counsel pointed out that the narrowness of the lots within the new IC Zoning District is such as makes the application of the current lot dimension requirements inappropriate. The new district will serve to encourage commercial and industrial development of the land adjoining Route 16, while not restricting the use of back lots for major industrial growth.

Following the public hearing, the Planning Board voted (4 to 1) to recommend favorable action on Article 50.

Michael T. Parente, Chr.

Voted: That the Town vote to amend the Zoning By-law in the following manner:

1. By revising the zoning map, referred to in Section 2.1 as "Milford, Mass.,-Zoning," by changing from "Highway Industrial — IB" to "Highway and Neighborhood Industrial — IC" the area bounded and described as follows:

Moved and seconded to table Article 51 and it was so voted.

Article 52. To see if the Town will vote to amend the Zoning By-law by revising the Zoning map as follows: Change from RB to IB all the land now zoned RB south of Medway Street and West of the Milford and County Line and bounded on the north by said Medway Street for a distance of 500' + on the west by the existing IB District a distance of 200' +; on the south by the existing IB District parallel to Medway Street a distance of 500' +; and on the east by the Milford Town and County Line for a distance of 200' +, said area being shown on a map displayed prior to town meeting at the Town Clerk's Office and at a public hearing, or take any action in relation thereto.

(Warren S. Heller)

Report of the Planning Board

A public hearing was held on April 20, 1976 for this proposed zoning amendment to change a 500' by 200' strip from the present Residential RB to Industrial IB. About seven interested residents attended.

This strip is completely surrounded by industrial land. The public hearing was closed and the proposal taken under advisement. Mrs. Seena Heller disqualified herself from any particular in this matter.

On April 27, 1976 the four remaining members of the Planning Board voted unanimously to recommend favorable action at Town Meeting.

Michael T. Parente, Chr.

Voted: That the Town vote to amend the Zoning By-law by revising the Zoning Map as follows:

Article 54. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Fifteen Thousand Dollars ($15,000.00) for the purpose of installing a new pump at the Charles Street Pumping Station, or take any action in relation thereto.

(Sewer Dept.)

Voted: That the Town vote to transfer from the Revenue Sharing Account the sum of $15,000.00 Fifteen Thousand Dollars for the purpose of installing a new pump at the Charles Street Pumping Station.

Article 55. To see if the Town will vote to amend the Zoning By-law by changing Article II, Section 2.5 — Intensity Use Schedule under Single Family Residential RB, to read as follows: Intensity of Use minimum lot requirements RB area, total or first two dwelling units (1,000 sq. ft.) 30, or take any action in relation thereto.

(Planning Board)

It was moved and seconded to pass over the article.

Finance Committee unanimously reported unfavorable action.

The Planning Board reported unfavorable 3 to 2.

It was moved and seconded "the previous question." 77 stood in favor and 41 opposed, more than 2/3 vote.

Question now came on "passing over" and this was defeated.

At this time the following was read:

Report of the Planning Board

On April 6, 1976 a public hearing was held with about fourteen residents attending. The majority of those in attendance were builders and landowners. This proposal concerns changing the single family RB lots sizes from 15,000 sq. ft. to 30,000 sq. ft. There were many objections by the builders and landowners because the lot size would be increased. It was pointed out that numerous lots with prior subdivision approval would continue to have the present zoning protection of 15,000 sq. ft. until the expiration of the seven year protection and that only new subdivisions would be affected by this proposed change.

It was pointed out by the Chairman of the Sewer Board and the Conservation Commission that the fundamental issue is one of basic economics and the change would result in a future decrease in the density of population in the remaining unsubdivided land areas. A reduction

in density of population would result in a reduction in the cost of municipal services particularly in the school budget. The public hearing was closed and the proposal taken under advisement.

On April 27, 1976 the Planning Board held a special meeting and Article 55 was again discussed. The Board voted to recommend unfavorable action by a vote of 3-2.

Michael J. Parente, Chr.

The following amendment was made at this time.

To see if the Town will vote to amend the zoning by-law in the following manner:

By amending Section 2.5 Intensity of Use Schedule as follows:

Under heading reading MINIMUM LOT REQUIREMENTS RB designation in requirement regarding "Area, total or first two dwelling units:

Add footnote letter g. to the figure "15"/

Add footnote g. to section 2.5 to read: Lots which cannot be connected to municipal sewer lines, and which will be serviced by septic systems, must have a minimum area of 30,000 square feet.

Amendment questioned by Moderator Noferi and it was voted to place motion as amended on the table.

It was moved and seconded to adjourn to Wednesday at 7:30 P.M.

Seven (7) persons stood and doubted the vote: A standing vote showed 70 persons voted in favor of Tuesday at 7:30 P.M. and 41 persons voted as opposed.

The meeting adjourned to Tuesday at 7:30 P.M.

The meeting was called to order by Moderator Noferi at 7:30 P.M. The monitors reported 140 persons present, a sufficient number to constitute a quorum.

It was moved and seconded to remove Article 55 from the table. Moderator Noferi moved the amendment out of order. The Finance Committee still reported unfavorable action.

It was now moved and seconded the "previous question." 115 persons voted in favor and 34 persons voted as opposed, more than two thirds, debate was shut off.

Question now came on the motion as amended that the Town vote to amend the Zoning By-law by changing Section 2.5, the Intensity of Use Schedule, under the column for the RB District as follows:

"MINIMUM LOT REQUIREMENTS

Area, total or first two dwelling units
(1,000 s.f.) . . .15g;"

and by adding at the end of that Section 2.5 the following:

"g) Before any building can be erected on any lot within the RB District either (i) a Sewer Entrance Permit for such building, authorizing the connection of said building to the municipal sewerage system, must be issued by the Board of Sewer Commissioners and such lot must contain a minimum area of 15,000 square feet; or (ii) such lot must contain a mimimum area of 30,000 square feet."

A voice vote was doubted by 7 persons and Moderator Noferi called for a standing vote. A standing vote was taken on the amendment to the motion. 81 voted in favor 67 opposed, the amendment carried.

Mr. James Troupes was given permission to speak for the Board of Health at this time.

It was moved and seconded the "previous question". Voice vote carred.

Before the body now is the motion as amended.

A standing vote showed 85 in favor and 66 opposed not a two-thirds vote the motion as amended was defeated.

It was moved and seconded to take up Article 72 before Article 56 but this was defeated.

Article 56. To see if the Town will vote to amend the Zoning By-law by amending the Zoning Map changing the Single-Family Residential RB District to Rural Residential RC District the area on the west sloped of Bear Hill bounded and described as follows: Bounded by a line beginning at the intersection of Godfrey Brook and the Charles River, easterly 2,000 feet along a line between that point and a point approximately 2,000 feet southerly of the southerly sideline of Central Street; thence, northerly approximately 2,000 feet to a point on the centerline of Central Street 300 feet westerly of its intersection with Mount Pleasant Street, thence westerly along the centerline of Central Street to the existing IA district, thence southerly by that district boundary to the point of beginning, or take any action in relation thereto. Report of Planning Board

A public hearing was held on April 6, 1976 with fourteen residents, primarily builders, attending. The Planning Board explained that the Master Plan is in the process of being revised. One of the considerations will be to provide a zone to permit multi-unit construction. In addition, further consideration will be given to amending the requirement for multi-unit construction which is a permitted use in the RA District. Over 1200 apartment units were constructed in Milford between 1970 and 1973. All municipal facilities are still under a strain particularly schools; and there is a continuing State ban on sewer extension.

Only one builder expressed his disapproval of this proposal.

On April 27, 1976, at a special meeting, the Planning Board voted unanimously to recommend favorable action to Town Meeting. Michael T. Parente, Chr.

It was "moved the previous question." and so voted.

Voted: That the Town vote to amend Article II of the Zoning By-Law of the Town of Milford by adding a new sub-section 2.6 entitled "Moratorium By-Law" to read as follows:

2.6 Moratorium By-Law

No multi-family dwelling within the Town of Milford shall hereafter be erected, constructed, structurally altered so as to create an additional dwelling unit nor shall any permit for such dwelling be issued by the Building Inspector, for a period of time commencing as provided by Chapter 40A, Section 11 of the General Laws or as Provided by Chapter 40A, Sect. 6 of the General Laws, inserted by Chapter 808 of the Acts of 1975, and terminating upon the close of business of the 1977 Annual Town Meeting.

A standing vote showed 112 in favor and 19 opposed.

"Article 1 — Annual Town Meeting.

"The Annual Town Meeting for the election of Town Officials and other matters to be determined by ballot shall be held on the first Monday of April, and the Annual Town Meeting for the transaction of other business shall be held at such time and place as shall be set forth by the Selectmen in the warrant for the meeting."

(Board of Selectmen)

Voted: That the Town vote to amend Article 1 of the By-laws of the Town, as most recently amended by the 1973 Annual Town Meeting under Article 30 of the warrant, by deleting said Article 1, and by inserting in place thereof the following.

"Article 1 — Annual Town Meeting

"The Annual Town Meeting for the election of Town Officials and other matters to be determined by ballot shall be held on the first Monday of April, and the Annual Town Meeting for the transaction of other business shall be held at such time and place as shall be set forth by the Selectmen in the warrant for the meeting."

Article 72. To see if the Town will vote to amend the General By-laws of the Town by deleting therefrom the provisions entitled, "Dog Control", which provisions were adopted by the Annual Town Meeting on May 20, 1974 under Article 71 of the Warrant, and by inserting in place thereof the following, or take any action in relation thereto:

"Dog Control Law

"Section 1. Disturbing the peace by barking. etc.

No person shall own or keep in the Town of Milford any dog which, by barking, biting, howling, or in any other manner disturbs the quiet of any person for a prolonged period and in accordance with the registration of a complaint as outlined in Section 2.

Section 2. Complaint of nuisance, investigation.

"If any person shall make a complaint in writing to the Board of Selectmen of the Town of Milford that any dog owned or harbored within the limits of the Town is a nuisance by reason of vicious disposition or excessive barking or other disturbance, the Board of Selectmen shall investigate such complaint, and may make such order concerning the restraint or disposal of such dogs as may be deemed necessary.

"Section 3. Restraint of Dogs.

"No person owning or harboring a dog shall suffer or allow it to run at large in any of the streets or public places in the Town of Milford or allow it upon the premises of anyone other than the owner or keeper of such dog without the permission of the owner or occupant of such premises. No dog shall be permitted in any street or public place within the Town of Milford unless it is effectively restrained by a chain or leash not exceeding 10 feet in length.

"Any owner or keeper of a dog who shall fail to comply with the provisions of this section 3 shall be punished as follows:

First Offense	$10.00
Second Offense	$15.00
Third and Subsequent Offense	$25.00

"Section 4. Duties of Dog Officer

"It shall be the duty of the Dog Officer to apprehend any dog found running at large in any street or public place within the Town of Milford or in violation of any of the provisions of this By-law, and to impound such dog in a suitable place. The Dog Officer, upon receiving any such dog shall make a complete registry, entering the breed, color and sex of such dog and whether licensed. If licensed, he shall enter the name and address of the owner and the number of the license tag. The owner, if known, shall be notified as soon as possible that the dog has been impounded. The owner of any dog so impounded may reclaim such dog upon payment of the license fee, if unpaid, and of all costs and charges incurred by the Town for impounding and maintenance of such dog as provided by law.

"Section 5. Muzzling or confinement of dogs.

"The Dog Officer may order a dog to be muzzled or confined to its owner's premises, whichever in his judge-

ment may be required, for any of the following reasons:

(a) If found at large or unmuzzled, as the case may be, while an order of the Board of Selectmen for the confinement or muzzling of such dog is in effect.

(b) If found in a school, schoolyard, or public recreational area.

(c) For having bitten any person.

(d) For having killed or maimed or otherwise damaged any other domesticated animal.

(e) For chasing any vehicle upon any public way or way open to public travel in the town.

(f) For any violation of sections 1 or 3.

"A person aggrieved by any order of the Board of Selectmen or the Dog Officer may seek judicial review in the manner provided in General Laws Chapter 140, Section 157.

"Section 6. Penalty.

"Except for violations of Section 3 which are punishable in accordance with the schedule of fines set forth therein, any owner or keeper of a dog who shall fail to comply with the provisions of this article or any order of the dog officer issued pursuant to this article shall be punished by a fine not to exceed $25.00 for each offense."

(Board of Selectmen)

It was moved and seconded to dispense with the reading of the Article and it was so voted.

After the motion was read and it was "moved the previous question" and so voted.

BICENTENNIAL ESSAY

TOWN OF MILFORD YESTERDAY, TODAY, TOMORROW

Milford is a town in Eastern Massachusetts situated in Worcester County on the Charles River in an agricultural area twenty-seven miles southwest of Boston. The region is famous for its pink marble. Founded in 1670, it was set off from Mendon and incorporated as a separate Town in 1780. Milford has a representative town meeting form of government. Milford's industry includes: shoes, rubber gloves, ceramic tile, elastic webbing, tools and dies. Milford's population as of today is 23,361. In 1960 it was 15,749.

The Town Government:

THEN

The first Town Meeting was held on May 1, 1780 and the Town was organized and the Country was but just past the Revolutionary War . . . so Milford was born into the municipal family in perilous times and amid seemingly ambitious, brave and hopeful people.

NOW

In the best of New England traditions Milford is governed through a representative Town Meeting and is administered by a Board of Selectmen. It is divided into five (5) precincts.

Milfords Beginning:

Milford was incorporated as a town in 1780 with a total land area of 14.79 square miles.

In 1875 the population was 9,818 (4,883 males and 4,935 females.) The dwellings numbered 1,549, families were 2,103 and the number of legal voters, native and naturalized, were 2,128.

Learning is Easy:

Our fair town started with four (4) school districts. Its infancy raised $66.67 for schooling. Maturity raise 22,000.00. Milford has private pre-school nurseries and kindergarten. It has neighborhood elementary schools, one middle school, one high school and one parochial grammar school.

Educational and Cultural — Opportunities Overflow:

The public Libraries are located in down town Milford and Hopedale. Milford has a wide choice of colleges around the area. Some colleges are: Dean Junior College of Franklin, Quinsigamond, Clark University, and Holy Cross are all located in Worcester, State Teachers College in Framingham, Rhode Island University and Brown University in Providence, Rhode Island. These are but a few of the many Colleges and Universities in the area.

Banks are Plentiful

THEN

Between 1775 and 1780 Massachusetts had treasury notes and bills of $1,600,000.00 and the Continental Congress had $400,000,000.00. The total money accumulated in Massachusetts was $59,800,000 and all of this was to supply the Revelutionary War.

NOW

The combined assets of the banks in Milford today is $160,000,000.00. Financial strength and economic growth is very important. The drive-in banks make todays banking very easy.

Transportation:

THEN

In 1822 stagecoaches were established between Mendon, Milford and Boston. Sometime later the stagecoach went to Hartford and Norwich Connecticut and then to New York.

NOW

A bus service is available in Milford that goes to Boston as well as Worcester and makes connections all over the United States. Driving to Boston takes a mere 35 minutes. The Penn Central Railroad passes through Framingham where passenger service is available to Boston. There is a privately owned commercial airport in Hopedale. There are charter flights and lessons available for a modest fee.

Industry:

THEN

In 1820 the simple forms of industry were making Boots, Shoes and Leather goods.

NOW

Milford has a large source of employment. The town is second in wholesale and third in retail. Milford has over two hundred and twenty businesses in many classifications such as: lumber, general merchandise, food, automotive and gasoline service stations, apparel, furniture, restaurants, drugstores, and many others. Industries include: agricultural, construction, transportation, utilities, wholesale and retail trade, finance, insurance and real estate. In manufacturing there are: textile, wood products, printing chemicals, rubber products, leather, machinery, tools and dies, transportation equipment, glass and scientific equipment.

Hospital Care:

In 1903 a fifteen bed hospital was built in Milford and furnished by Ex-Governor Mr. Eben Draper. The first patient was a Civil War veteran.

By 1935 the Milford Hospital had grown to 75 beds and served the area before being replaced in 1964 by a major five story addition. At this time the bed total was 137 and the facility contained a Laboratory, X-ray Room, Physical Therapy Room, Operating Room and a Maternity Ward. Recently it merged with Whitinsville and is presently called the Milford Whitinsville Regional Hospital. The facility contains 193 beds and services the Blackstone Valley area.

The Hospital has a full range of services, including Radiology, Nuclear Medicine, Laboratory, Intensive Care, Physical Therapy, Maternity, Pediatrics, and an Emergency Room which is open twenty-four hours a day, seven days a week.

The Medical Staff includes Internal Medicine, General Surgery, Anesthesiology, Orthopedic Surgery, Plastic Surgery, Dental Surgery, Obstetrics, Gynecology, Pediatrics, Radiology, Pathology, Otolaryngology, Psychiatry, Urology, and Thoracic Surgery.

Luxurious Living:

THEN

Until 1710 our settlers had about fifteen families which amounted to about forty to fifty people. From 1710 onward there was a steady increase in the population. The grandchildren possessed the heritage of their fathers who cleared the farms, watched their children grow, and preached their Gods. Then the land became more useful. The soil was better and the people owned their own land. More and more buildings were erected, and ugly cart paths were turned into passable roads.

NOW

New luxurious apartments, city and private home developments make the area more graceful to live in. Even the new suburban homes are just minutes away from the central business district or the large shopping centers.

Apartment living is designed for a carefree comfortable living of the newest design.

Fire Department:

The first movement to make a fire engine company was in 1831. Concerned Citizens, passed by the town government, gave Milford two fire engines. This was done by purely voluntary contributions. The fire engines were tub like in shape, made in Belchertown, and cost $125.00 each.

The intention was to have two companies, one in the upper village, and one in the lower village. It turned out that only one company was organized in the lower village. Milford soon bought a second hand Hunneman at a cost of $350.00. This engine was not to great, so they bought a new Hunneman at a cost of $800.00. The Apparatus they bought in 1837 cost $200.00. In 1838 Engine Company No. 3 was formed and the sum of $50.00 was paid for a place to house it. In 1843 the sum of $838.00 was appropriated for a new fire engine and apparatus.

In years past, and up to now, the Milford Fire Department has continued to grow. Their pay began with the remission of their poll tax, and has gradually climbed to where it is at present.

THE FUTURE

The future is something that is not self explanatory. We will all have to take a part in shaping it. Scientists say

that we will have electric sidewalks, electric cars and other such things operated by machines in the future. Myself, I feel that each year we will step closer to advanced civilization. We could take but one giant step and effect the whole world. I think that moving sidewalks may serve a useful purpose in the future, but as for myself, I think that the present is fine for me. For some other people today is ancient and they cannot wait for tomorrow. I believe that by looking through the magic glass into the not-so-distant future peoples' lives will unfold and they will be able to express their opinions the way they choose. I should also be able to express my views in a similar manner.

The heating unit of the future will be the sun. Solar Energy units will be installed on major buildings throughout cities and towns. The heating unit will pump energy to the place where you live. On a rainy day when there is no sun out, the unit will have stored enough energy to heat your house.

I think that there will be overpopulation by the year 2000. The rate of children being born in the world is growing rapidly. Food in the future could become scarce. The way that we are killing, fishing and hunting animals just for the sport is terrible. They can be used as good food for the people who need it. The Indians used it wisely, why can't we? If we do not conserve our food now, we may not have enough to feed the new babies that will come along in the future.

There will not be as much aerosol hair spray type cans in the future. There is a layer or layers of protective coating by the sun and aerosol cans make the fumes which make the layers disappear. We must stop using this type of can as the layer which protects us from the harmful vapors and the hot temperatures could break and kill everybody.

In the future there will not be a lot of air pollution. The factories will have special non polluting devices that will change dirty black and gray smoke into a harmless, odorless and colorless smoke. Water and pollution in the ground is a serious matter. We should clean the earth for our nations 200 Birthday. Water Pollution is very serious as it kills fish and other animals that live in the water, and it also prevents swimming, boating etc.. Land Pollution is another serious matter. We, the American people, should clean up the land, air and sea. By cleaning it up it will save a lot of people from becoming sick from the odor. Some of the garbage at the dumps should be recycled and reused as paper and cardboard. We should have a meatless meal once a week and donate the money to our churches to help the needy families to have food and shelter.

A Brief History of Milford's Town Hall:

Milford's Town Hall is 118 years old. The front of the building is Italian Renaissance style and it was constructed in 1853 and took 5 years to complete. It replaced the Towne House which was the public meeting house for eight years. Orison Underwood, Appeltan Bragg, John Mason, Lowell Fales, Nathaniel Chessman, Dana Perry, and Levi Pond directed over the structure. Thomas W. Silloway was the architect and Freeman Walcott was the construction worker. The building was the official headquarters until 1900 when it was enlarged. At that time a 72 x 87 foot addition was allowed and the second floor was used for meetings with a seating capacity of 1000 to 1250 persons and an additional 300 to 400 could be seated in the galleries. Every board in the Town with the exception of the School Board had official headquarters in this building. The facility also has a fire proof vault. On April 21, 1900 as the Towne House was being raised, the rear wall collapsed and three men were trapped. The fire alarm was sounded and 100 people responded. One man was killed instantly and another died a few days later. Little was done to change the appearance of the Town Hall until twenty years ago when it was painted white. The simple gardens, grass areas and majestic elms graced the building in the early 1900's. The handsome wooden eagle which originally stood on top of the bell tower was removed to preserve it from the effects of time and weather and a metal replica was found to take its place.

Report of the Planning Board

To the Honorable Board of Selectmen and Citizens of the Town of Milford:

The Planning Board held bi-monthly meetings during the year with monthly meetings during the Summer. Quarterly Inter-boards were held with all pertinent Town Boards and Departments invited. Special Meetings were held as needed. In addition the Planning Board held a series of work-shop meetings to commence revisions and amendments of the Master Plan. Representatives of other Town Boards attended these work-shop sessions and contributed recommendations.

Among the Zoning Articles proposed by the Planning Board and approved by the Town Meeting were the following: A deletion of the Planned Unit Development By-law. An extension of the Apartment Moratorium for an additional year, Rezoning 1,129 acres of land affecting the Town's water supply in the Echo Lake area to 87,000 square foot lots, Rezoning 704 acres in the sensitive water shed and wetlands areas to 45,000 square foot lots.

Numerous 81-P plans were submitted to the Board and signed.

No new subdivisions were approved. Old subdivisions on which Zoning protection had expired were recalled by the Board for review . . . resulting in a reduction of 65 buildable house lots and requirements for complying with present rules and regulations were specified.

The Planning Board amended its own rules and regulations to include flood hazard district requirements. After a comprehensive study of the under-ground wiring requirement and determination that the excessive and unnecessary future cost to the Town for street lighting under those requirements were not in the best financial interest of the Town, the Planning Board voted unanimously to delete the under-ground wiring requirement from their rules and regulations.

The Planning Board actively supported the concept of a by-pass road on Parkhurst Street and two members, Mrs. Heller and Mr. Parente, met with Secretary of Transportation Salvucci to walk the land in question.

At present the Board is continuing its work on revisions of the Master Plan and also preparing a revision of the Zoning By-laws of Milford to comply with the new state zoning statute, Chapter 808.

Report of the Board of Sewer Commissioners

To the Citizens of Milford:

The Board of Sewer Commissioners respectfully submits this report on the Milford Sewer System for the fiscal year ending June 30, 1976.

Collecting System:

Routine maintenance of the collecting system and service connections was performed.

Sewer extensions in the DeLuca Road area, for which funds were appropriated in May of 1975, were included in a HUD financed project and bids were received on April 12, 1976, and after the required review, the project was authorized for award, and construction was started on June 28, 1976.

Funds for additions to the collecting system in Beach Street Extension were authorized at the annual Town Meeting, and other extensions of the Dilla Street trunkline were authorized for application for Federal and State grants under the new revisions as to eligibility for these projects.

Extension of some street sewers by private development are under construction and completion will be recorded in 1976-77 V.Y. report. Total length of sewers is 47.586 miles.

Service connections added in the period from July 1, 1975 to June 30, 1976:

	40
Previously recorded	4448
Total Service Connections	4488

Pumping Stations and Force Mains:

Routine operation and maintenance of pumping stations.

Funds were appropriated for a new pump at the Rhodes Street Station, and new pumping equipment at the E. Main – Medway St. pumping station, and the installation is expected to be accomplished during 1976-77 F.Y.

Treatment Plant:

Competitive bids were advertised and received for the annual requirements of various items of supplies for the plant.

Reports of plant operation and effluent analyses, as required by the plant discharge permit, were forwarded to the State Div. of Water Pollution Control and the Permits Branch.

Flows received at the treatment plant and the average BOD of plant effluent were as follows:

Month 1975	Flow MGD.	Plant Effluent BOD

Plans are going forward for the planning of the reconstruction of the treatment plant as required by the State Implementation Schedule for advanced treatment, and an Environmental Assessment is being prepared, as one of the first steps in Federal and State grant requirements. Funds were appropriated by the Town for the Step 2 preparation of plans and specifications, and application for these grants, with the required attachments, will be submitted for approval this fall. It is expected planning work will be started in 1977.

Respectfully submitted,

JOHN E. BIRD, Chairman
ARTHUR A. GATTOZZI
JOSEPH L. DELUCA

Report of the Superintendent of Schools 1975-76

Each grade level was affected by significant educational changes (both horizontally and vertically) during the 1975-76 school year. The high school received ten-year accreditation, which is rarely awarded by the New England Association of Colleges and Secondary Schools (NEACSS). The high school Evaluation Report was

published and was intensively and extensively analyzed by the high school faculty and administration as well as the School Committee, separately and jointly. As a result, progress toward implementing the recommendations of the visiting committee was initiated and, in some cases, recommended changes were introduced. The Middle School completed its Self-Evaluation process in the Spring and the staff and administration began preparations for the arrival of the Evaluation Visiting Team next Fall. On the Elementary level, the process of Self-Evaluation was started. Because no other school system in Massachusetts has initiated this process in conjunction with the NEACSS, its development was difficult but proved to be exceptionally fruitful for both teachers and administrators.

All these self-evaluative activities have had but one primary purpose: to improve the education of the children of Milford. In order to achieve this goal throughout the school system, Curriculum Coordination Committees continued their work throughout the school year, with satisfactory results. Now each discipline is coordinated, Kindergarten through grade 12.

The school population continued to rise throughout the school year. Last October's school population was 5150, an increase of 2000 pupils over the high of 3150 in July, 1971. Such an increase necessitated the use of rental space, which included the Pinewood School, a classroom in Hopedale, the former St. Mary's Elementary School (granite building), the former St. Mary's Central Annex (the brick building) as well as the Central School itself, for a total of 50 rented classrooms. In addition, the increasing school population required the rental of space in the St. Mary's convent. Many rentals have now been terminated because of the anticipated opening of the new Woodland Elementary School in the Fall, a facility remarkable not only for its low cost and the fact that it will house over 900 pupils in grades Kindergarten through Grade 5, but also because it will include many of the dynamic open space concepts that were so successfully introduced at the Pinewood School in recent years.

Notwithstanding the involvement of every teacher through the school system in some aspect of self-evaluation, the process of self-improvement as a school system cannot be accomplished by the teaching staff and other personnel of this school system alone. To meet our Great Expectations and those of parents and other citizens we need and welcome the wholehearted cooperation of all the citizens of Milford and particularly the dedicated cooperation of the students whom we are striving to educate, and that of their parents.

Without the continued cooperation of home, school, students and community, the potential of each student will not be sufficiently identified and explored and all our Great Expectations will not be satisfied.

The past year has been busier than the last filled with problems and situations which required the members of the seven member School Committee to spend an inordinate amount of time and effort. They deserve, both individually and collectively, the thanks of all of us for their selfless devotion to the needs of the children of Milford throughout 1975–76.

Report of the Collector of Taxes

Honorable Board of Selectmen
Town of Milford
Milford, Massachusetts

Gentlemen:

The following report for the fiscal year ending June 30, 1976 is herewith submitted.

I am happy to say that a very successful collection record can be reported as we had only 5 per cent of our current levy of Real Estate taxes outstanding at the year's end.

Once again I take this opportunity to thank Frances Hennessy, Dorothy Beccia, and Joan Sanchioni for their great effort in achieving our goal.

I would also like to thank all the other town departments for their continued co-operation during the past year.

Respectfully yours,

ROBERT J. ANDREANO
Tax Collector

Report of the Revolutionary Bicentennial Commission

To the Honorable Board of Selectmen:

It is my sincere pleasure to submit the following report covering the period from July 1, 1975 thru June 30, 1976.

During this past year we have given the people a beautiful bicentennial park and the first in the nation Bicentennial children's birthday party that featured a 35 foot by 10 foot birthday cake. This event was carried over Boston television channels 5 and 7. Milford was also honored by the Boston Globe, The New York Times in a front page story about our activities, and the entire world knows about Milford because of the United Press International News Service.

The President of the United States Gerald Ford has recently sent a special citation honoring Milford during her part in America's birthday.

Future plans consist of a series of summer band concerts to be held in Draper Park. A giant firemens parade and muster on October 10, 1976 and a final salute and closing ceremony during November 1976.

I sincerely hope that our actions have shown the true spirit of patriotism that is so strong in our great and loving town.

Report of the Capital Planning Committee

In conformance with Article 19, as amended by the vote of the Annual Town Meeting held March 15, 1972, the Capital Planning Committee submits its report for 1976, as follows:

The Committee recommends favorable action on the following proposals: the Highway Department's purchase of a dump truck at the cost of $24,500 and the Fire Department's purchase of a pumper truck at $70,000. The Committee feels that the replacement of equipment for these departments cannot indefinitely be delayed without danger of disrupting vital services.

The Sewer Department has requested $650,000 the price of design plans and specifications for a sewerage treatment plant. The State has placed Milford on the grant list for this fiscal year, and wants plans and specifications to be completed for a 1977 construction starting date. It is recommended that the above amount be raised through the sale of bonds and/or notes. The Sewer Department has also requested $17,000 and $15,000 for new pumps at the East Main Street and Charles Street Stations, respectively. These new pumps are necessary to provide for the already increased load and the anticipated further increase, due to the expected industrial expansion in these areas.

Favorable action is recommended on the purchase of bleachers for the Milford High School Athletic fields. Funds have not previously been allotted for this purpose. The purchase of the bleachers will eliminate the costly task of transporting the Fino Field bleachers. It is also expected that revenue from the athletic events will increase due to more adequate seating.

The extension of Sumner Street is also favored. The completion of this project should alleviate traffic at the intersection of Dilla and Purchase Streets, and provide more accessability to the Industrial Park and the downtown areas.

Another proposal to receive a favorable recommendation was that requested by the Planning Board and Conservation Commission. Base maps and Wetland Maps are necessary to help guide the further expansion and development of the Town of Milford. The acquisition of these maps is long overdue. By having these maps prepared in conjunction with one another, the town will avoid duplication of efforts, resulting in a savings in cost.

Remarks on Capital Expenditure Requests

Item 1, 3, 5, 7 Represents planned program of equipment replacement for the Highway Department.

Item 2 Congress Street sidewalk from Fountain to Vine – necessary because of increased pedestrian traffic to and from the new high school, the new elementary school under construction and apartments in the area. Will not be ready for construction this year because of the narrowness of Congress Street and necessary land-takings in the area.

Item 4 Highway Department desires to purchase land adjacent to present facilities for future expansion.

Item 6 Seeks money to construct new building on land requested in Item 4.

Item 8 Final design plans and specifications and engineering for sewer treatment plant as ordered by the State.

Item 9 New pumps at E. Main St. pumping station will provide adequate provision for Medway Rd. area of town and industrial expansion on Bear Hill.

Item 10 Increase pumping capacity at Charles St. Station. Present pumps are not operating adequately under all conditions.

Item 11 & 12 Plant inlet sewer and plant reconstruction considered parts of the same project. State desires a 1977 construction starting date.

Item 13 Beech St. and Charles River sewer extension needed for industrial expansion in the area. Sewer line up to capacity now.

Item 14 & 15 Represents planned program of equipment replacement for the Fire Department.

Item 16 Acquisition of land and plans for new central fire station.

Item 17 Construction of new central fire station and equipping of building.

Item 18 Purchase of new pumping truck to be housed at new central fire station. Present facilities lack space for housing additional equipment.

Item 19 Purchase of new ladder truck to be housed at new central fire station.

Item 20 Construction of new sub-station between Purchase and Congress Streets. This will be required if population growth continues in that area.

Item 21 Purchase of bleachers for new Milford High School Athletic areas. Bleachers were not provided in the original construction.

Item 22 Purchase St. Mary's Central High School or build new elementary school. At this writing it appears that neither is likely to take place this fiscal year. Whether or not to build a new elementary school will depend on the results of negotiations to purchase St. Mary's.

Item 23 Extension of Sumner St. to Dilla St. will alleviate traffic at intersection of Dilla and Purchase Streets and make accessible more industrial land.

Item 24 Senior Day Care Center. Possibility of receiving a Community Development Block Grant to defray the costs.

Item 25 Louisa Lake Dam and Flood Control Project-Reconstruction of dam, spillway, and adjoining areas. Additional state and local funds are needed which will not be forthcoming this year.

Item 26 Base Maps for Planning Board and Wetland Maps for Conservation Commission. Wetland maps are needed for designating wetland districts of Milford persuant to developing the zoning by-laws for wet-lands, and flood plain zoning. Base maps are needed for amending Master Plan and creating pertinent by-laws.

Item 27 Linear Park-passive recreation area located along northwestern section of Cedar Swamp Pond about Clark Island. Funds are needed to complete project which was partially funded in 1975 with Community Development money.

Item 28 Reclamation of Louisa Lake-This project should be undertaken while the state is rebuilding the dam at Dilla St.

Item 29 Cedar Swamp Pond Dike—Same dike at present land fill site which the town has been mandated to build by the Water Pollution Control Board. Once the Town's Natural Resource Plan is accepted this and other Conservation Commission projects will be reimbursed up to 80% by the appropriate Federal and State Agencies.

Item 30, 31 & 33 Dredge Cedar Swamp Pond, improve site and construct shell for summer concerts. These projects are in accord with Conservation Commission's goal for developing Cedar Swamp Pond as a recreation area for the Town.

Item 32 Establish Conservation Districts for watershed protection, flood control, wildlife habitat and general open space. Land purchases over the next six years will be necessary. Areas of major concern are along waterways and wetlands within the town.

Item 34 Closing of landfill—It appears that plans have not progressed to a point where positive action can be taken this fiscal year.

Item 35 Recycling and Transfer Station—It appears that plans have not progressed to the point where positive action can be taken this year.

Item 36 Lights for Fino Field—Present lights are inadequate and in need of repair.

Item 37 Ivy Lane Recreation area—Construction of park on land that has been donated to the town.

Item 38 War Memorial—Possible fund raising campaign to pay part of the cost. Town will be asked to appropriate the difference.

Item 39 New Library—Site has not been scheduled yet and plans are not finalized. Possibility of State and Federal funding.

Report of the Conservation Commission

To the Honorable Board of Selectmen and the People of Milford.

Your Conservation Commission is happy to report that the Natural Resources Plan is now completed and we are ready to proceed with the projects indicated.

We have continued work in the following programs:

1. Annual Tree Seedling Sales.
2. Annual Distribution of Flowering Crab Trees by the Greenleaf Garden Club.
3. Participation in the Garden Club Flower Show in which we won a Special Award from the Garden Club Federation of Mass. for our Wetlands Display.
4. Reactivated the Junior Conservationists (Explorer Post 118).

At the last Town Meeting we helped to further the following Articles which were accepted:

1. A $250,000 bond to be issued to complete the dam at Louisa Lake.

2. A set of Wetlands Maps of the Town of Milford to be printed. These maps would help many town Boards for use as reference as well as save the town money in preventing over-lapping of work details.

Your Conservation Commission was responsible in cleaning up Louisa Lake before the spring Fishing Derby.

The landscaping of Linear Park from Fino Field to Clark Island was designed by Verna Cahill and drafted by Civil Engineer James Troupes. A review of these plans is located in the Planning Room in the Town Hall. The money for this project was initiated by Town Planner Richard Allardice and which is Federal funded. The project should be underway by late 1976.

Our schedule of Wetlands hearing has been particularly active this year. We have had seven hearings, many of which had to be continued into several meetings due to the technical problems involved.

The Conservation Commission wants to thank the many citizens and organizations for their assistance and information without which we would not have been able to achieve our goals.

Report of the Finance Committee

To the Honorable Board of Selectmen:

The Finance Committee has taken a long look at he increased cost of our town government and services that has leaped at us the past few years. We approach next year with much apprehension. This past year, in order to limit the increase in the tax rate, we have made maximum use of all funds available; that is, Revenue Sharing and Free Cash. These large amounts of monies will not always be with us.

To all the departments (including the school) we voice our concern and express the thought that we in Milford should make a strong effort to keep costs down and fight higher taxes. This can be done by increased productivity, efficiency and adopt a no hire no fire policy.

We recommend closer communication between administrative boards as a must, if we are to function as an efficient governing body.

Report of the Fire Department

To the Honorable Board of Selectmen and the Citizens of the Town of Milford, Massachusetts:

I hereby submit this report of expenditures and activities of your Fire Department, for the fiscal year of 1975-1976, and make these requests and observations.

Again, the need for additional man-power to bring our on duty man-power up to the requirements of the Rating Bureau. (Should have one Fire Fighter on duty for each 2000 population.)

You should also know that even with our Board's intercession the Fire Alarm System at the New High School does not meet specifications nor minimum standards of the Milford Fire Dept. Five areas are still without notification of a fire. Also 3 hydrants in the School yard are not available to the Fire Dept. All efforts to correct these deficiencies have met with failure.

The Municipal Fire Alarm System is having more problems with electrical induction, and all our efforts in conjunction with Town Counsel have not corrected any faults.

I would like to thank the Board of Selectmen as well as all other Department heads and their staff and the Citizens of Milford for their cooperation extended to this Department during the past year.

Respectfully,

JOHN E. DePAOLO

From January 1, 1975 to June 30, 1976, your Fire Department responded to 867 Alarms; 70 Box Alarms; 52 Personal Alarms; 130 Police Alarms and 11 Radio Alarms; 601 Telephone Alarms and 3 A.D.T.A. breakdown of the Alarms is as follows:

Report of the Legal Department

The Honorable Board of Selectmen
Gentlemen and Madam:

The following is the report of the Legal Department for the period, July 1, 1975—June 30, 1976.

During this period, the Legal Department continued to provide a full range of legal services to the various Town departments. In addition to appearing on behalf of the Town and its officers before the Appeals, Superior and District Courts of the Commonwealth, and before the Department of Environmental Quality Engineering, this Department prepared over forty formal written legal opinions. Moreover, this Department completed the land takings necessary for the drainage of the New Elementary School site, assisted in the preparation of the Town's application for acceptance into the Federal Flood Insurance Program, and prepared contract specification, and other documentation necessary for the utilization of the Community Development Block Grant which was awarded to the Town by the Federal government.

This Department also devoted considerable attention to the many violations of the Zoning By-Law which had come into existence during the past decade. In that regard, I worked closely with the Building Commissioner and the Zoning Board of Appeals in framing equitable solutions to the problems caused to residents on account of those violations. At the same time, efforts were made to ensure full compliance with the By-Law in the future.

The Legal Department continued to provide representation to the boards and committees of the Town whenever requested, and specifications, contract documents, leases, legal notices, and other legal documents were furnished upon request. In addition, this Department prepared proposed regulations and by-law amendments for adoption by the Town and its agencies, drafted warrant articles and motions in connection with the town meetings which were conducted during this period, and supplied legal counsel on a wide range of matters.

This Department also processed eight separate claims by the Town against individuals and firms that had damaged its property. That activity resulted in the receipt of $1,433.52 which was deposited in the town's Treasury. In addition, claims against the Town were screened by this office with the result that costly litigation was avoided in several cases.

It has been the goal of this Department to provide the highest possible level of legal services to the Town and its agencies so that their actions will conform to the requirements of the law, and the will of the citizens, as expressed at town meeting, will be fulfilled. In that sense, I continue to find the position of Town Counsel both challenging and rewarding, and I would like to thank the Honorable Board of Selectmen for its confidence in me during the past fiscal year.

Finally, I would express my appreciation to your Honorable Board, and to the other Town officials and employees with whom I work for the high degree of cooperation experienced by me during this period. I would also mention, in particular, Robert B. Calagione, a graduate of Suffolk Law School, who worked in this Department during the past academic year on a work-study basis. His efforts did much to alleviate the demands which were placed on this office so that additional services were possible.

I am enclosing herewith this Department's Financial Report for Fiscal Year 1976.

Yours very truly,

EDWARD P. DOHERTY

Report of the Town Planner

To the Honorable Board of Selectmen
and Citizens of Milford:

During the Fiscal Year 1975-1976, the position of Town Planner assisted the Board of Selectmen, Planning Board, Conservation Commission, and various other town agencies requesting assistance in such projects as assisting in the preparation of Milford's application for federal funds under Title I of the Housing and Community Development Act 1974, preparing the Town's state application to the Department of Community Affairs for "in depth technical assistance" under the 701 Comprehensive Planning and Assistance Program, preparing amendments to the Zoning By-Law and subdivision rules and regulations.

In addition to the above, I assisted on the preparation of maps on rezoning the land area north of Rt. 495 to 2 acres, rezoning the section of land north of Silver Hill Road from 15,000 S.F. to 45,000 S.F., rezoning a large portion of RB (15,000 S.F.) District to 30,000 S.F., and assisted the Zoning Board of Appeals and Legal Department in rezoning a strip of land east of Rt. 16 and 109 along Route 16 which created a new zoning district, IC (Highway & Neighborhood Industrial).

Report of the Milford Police Department

Honorable Board of Selectpeople
Town Hall
Milford, Massachusetts

Gentlemen & Madam:

It is my pleasure to submit the following report of arrests and other duties performed by the Milford Police Department during Fiscal Year 1975-1976.

During the past year the Department added a detective division consisting of four officers. These officers work in teams of two men each and patrol in an unmarked car, in civilian clothing, and follow up on each complaint received. Since they have been relieved of regular routine duties in order that they may give undivided attention to specific complaints, the results of their efforts have been very gratifying and hopefully will do much to enhance the departments image with the general public by bringing more investigations to successful conclusions.

Instructions in general police work, photography, finger printing, etc. have been provided and as in the past a number of officers are availing themselves of the incentive program provided by the Town to increase their knowledge of law enforcement.

May I take this opportunity to express my sincere thanks to all Department Heads and Boards for their cooperation during the past year and to assure them and all the citizens of Milford of our continuing efforts in behalf of safety and protection of all.

Respectfully submitted,

JOHN J. McGRATH
Chief of Police

Report of the Milford Public Medical Home

To the Honorable Board of Selectmen

I am happy to report that 60 residents now reside in the new Milford Public Medical Home. The residents would like to thank the Townspeople for their lovely Home that now provides added services which were limited in the old Home. Activities have increased with the added space, being financed through the donations from the Helping Hands.

With the complete cooperation of an excellent Building Committee chaired by Mr. Joseph Nealon, an efficient Board of Trustees with Mr. Fred Besozzi as chairman and my competent staff, we were able to complete and move into our new Home on January 25, 1976.

Report of the Veterans' Service Department

1975—1976

I hereby submit the Annual Report of the Veterans' Service Department for the year 1976.

Veterans' Service laws of the Commonwealth of Massachusetts, relating to veterans and their dependents, provide for two major programs: One deals with service and the other deals with financial assistance in time of need (Veterans' Benefits, Chapter 115.)

Benefits for Returning Veterans:

1. Record discharge
2. File for educational benefits
3. File for State Bonus
4. File for compensation (service connected disabilities)
5. File for dental needs
6. Job placement
7. Briefing and counseling

Continuation of Benefits for Living Veterans and their Dependents:

1. Assisting needy veterans and their dependents for self preservation under Veterans' Benefits (Chapter 115-as amended.)
2. Educational benefits for children of 100% service-connected disabled veterans.
3. Continue our efforts to expedite benefits speedily and efficiently.
4. Making available to our veterans the use of the Veterans Administration Hospitals for the best in medical care.
5. Filing for pensions for our retiring and disabled veterans. Completing annual questionnaires to enable veterans to continue to receive these pensions.
6. Constantly assisting and advising veterans and their dependents in most local problems.
7. Obtaining certificate of eligibility for VA Home Loan Guarantee.

Benefits for Widows and Children of Deceased Veterans:

1. Filing for pension and compensation
2. Filing for burial allowance
3. Filing for Veterans Administration insurance
4. Filing for government headstone
5. Filing for educational allowance for children and widows.
6. Filing for compensation for dependent parents (only for service connected deaths.)
7. Information relating to Social Security benefits.
8. Continue direct contact with the Veterans Administration for the proper expediting of all benefits to our widows, children and dependent parents.
9. Care of our soldiers and sailors graves.

In order for these benefits to be carried out, the Veterans' Service Department must be able to understand, serve and work with people of all walks of life, including those with physical disabilities. Also, the ability to serve the next of kin with sympathy. The ability to develop and maintain close relationship with the Veterans Administration and staff. The ability to speak in behalf of veterans and their dependents. The ability to provide guidance on individual cases on Veterans' Benefits rules and regulations. The Veterans' Service Department can be called a *"One Stop Service Center"*, to render advice and assistance to our Veterans and their dependents.

Acknowledgement

We express our appreciation to all who extended their efforts in behalf of the Veterans' Service Department, namely:

Board of Selectmen
Veterans Administration
Commissioner of Veterans Services
Representative Louis Bertonazzi

Through the energetic work of my staff, the Veterans' Service Department has provided the service to our veterans and their dependents, being aware of the fact that our services have constantly increased. It is therefore necessary to emphasize the quality of our services and continue with our best efforts to maintain an efficient and economical Veterans' Affairs Program.

Report of the Board of Selectmen

To the Citizens of the Town of Milford:

Here follows the report of the Board of Selectmen to the residents of the Town of Milford. This report is a brief summary of our activities for the past fiscal year.

Legislative Action

Your board upon receiving notification of the approaching (1977) expiration date of the present .Revenue Sharing Act also known as the State and Local Fiscal Assistance Act of 1972, immediately solicited support of our Senators and Congressmen to vote favorably for the passage of another Revenue Sharing Bill.

Since the receipt of Revenue Sharing Funds, the Town of Milford has utilized the additional money for Public Safety, Health (Town wide Trash pick-up) Recreation and also to help stabilize the tax rate.

House Bill 6686

We have opposed Section 5 of House Bill 6686 which as proposed by the Taxation Committee would stop future increases in educational aid.

Since these funds are distributed on a priority basis, the stagnation of funds would result in a dramatic decrease in Chapter 70 General School Aid.

Therefore, realizing the financial effect on future school reimbursements, we sought support to defeat this bill.

Ban the Bottle Bill

We unanimously voted to oppose the House bills 3172 and 5876 which banned non-recyclable containers. This legislation was filed by a group of consumer advocates and also supported by the Massachusetts Selectmen's Association. However, your Board upon receiving this legislation and material furnished by Mr. Jerry Silverstein, Sales Manager for Foster Forbes Glass Company concerning the economic impact such a law could have on the glass industry, we continued to maintain our position of opposition to this legislation both individually and collectively as a board.

Industrial Development

This year your Board of Selectmen was able to obtain Town Meeting approval for the extension of Sumner Street to Dilla Street a distance of approximately 1,485 ft. This project was originally initiated at the request of the Milford Chamber of Commerce, but the collective efforts of the Town Counsel and your Board of Selectmen moved this project closer to reality. Sumner Street extension is scheduled to be completed by spring of 1977 by the Milford Highway Department. At this time additional acreage will become available for industrial development.

In this regard, we will continue our efforts to work jointly with the Industrial Development Commission and the newly appointed (5) member Industrial Financing Authority to attract industry to Milford.

Licenses and Permits

Throughout this past year, your Board of Selectmen has acted on many applications for various licenses and permits placed under its jurisdiction by the General Laws.

We believe that every effort was made to treat each applicant fairly and equitably and at the same time to administer the licensing powers of the Selectmen in the best interests of the Town of Milford.

Committee Appointments

During the past year your Board of Selectmen upon reviewing Town Matters recognized the need to establish and appoint the following committees:

(1) **The Charter Study Committee** was reappointed to further review and study present municipal operations in order to make recommendations to increase the efficiency of our government.

Hopefully, recommendations will be presented by the Committee for Town Meeting action next year.

(2) **Disposal Methods and Site Study Committee** was appointed to study and inspect Trash pick-up services, landfill sites, incinerators and also Resource Recovery Centers that are either privately or publicly operated. As a result all information that is gathered will be evaluated to determine which method should be undertaken by the Town of Milford to adequately dispose of our solid waste materials. This problem is of immediate concern because of the pending state order to close our present landfill operation as of December this year.

(3) **The Growth Policy Committee** was established by us in accordance with c.807 of the Acts of 1975 in order to prepare a statement of Growth Problems and Priorities of the Town of Milford. The report compiled by our committee was sent to the Office of State Planning to be included as part of a Comprehensive Growth Policy which will be developed for the entire state of Massachusetts.

We owe many thanks to all officials and members of the Growth Policy Committee for their many hours of work in preparing a detailed, factual, and objective document under much pressure and in a very short period of time.

Parkhurst Street

After many long hours of hard work, letters and calls to state officials and a lengthy Public Hearing, we received notification from Mr. Frederick P. Salvucci, Sec. of Transportation and Construction, that the permit application submitted by Mr. Murray Sloane to construct (7) duplex homes on the Penn Central right of way was denied.

The denial of Mr. Sloane's permit now allows us additional time to complete the necessary plans and specifications for our proposed alternate by-pass traffic route for Milford.

We deem this a necessary project to alleviate our present traffic congestion and we will continue to work with the assistance of the Worcester County Engineers to complete plans as soon as possible.

Louisa Lake Dam Project

At Town meeting, we supported the passage of Article 79 in which the Town appropriated $225,000.00 or 15% of the construction costs for the Louisa Lake Dam. This timely appropriation will supplement the state's appropriation of $720,000 obtained for Milford through our efforts and also the assistance of Representative Louis Bertonazzi. With the possibility of receiving Federal Funds, we hope that this needed project can be initiated within the next year.

Once completed, this Dam project will provide adequate flood protection and also make available another recreation area.

Street Lighting

Having received many requests during this past year for lighting, we attempted to approve only emergency requests in order to minimize expenditures. However, in keeping with public safety, problem areas and emergency situations, your board intends to approve future lighting requests with newly accepted streets being given first priority. We are now awaiting the results of a street light inventory which will aid us when reviewing future lighting requests.

Future Outlook:

Ever conscious of the continued growth and complexity of the problems facing Town government in Milford today, we stand ready to offer our assistance and cooperation to all in an effort to resolve problem areas.

As a board we wish to thank our Town Counsel for his invaluable assistance, our Executive Secretary, Administrative Coordinator and all other Town Officials, Departments and municipal employees who have worked to make this past year successful.

Respectfully submitted,
